XXXXXX

I'm awake. Toothless is in my house. I already know something's wrong, and I have a feeling this is not it. As I start to get out of bed, I realize exactly what's wrong. I throw back my blanket and seeâ€¦

Prosthetics.

I knew when I went to rescue Toothless, my father, and the others

with him, I probably wouldn't come back unscathed. But I was willing to make the sacrifice, if only to lift the guilt I felt for having gotten Toothless into this mess.

And thisâ€¦ this was the price.

My life was changed. But then again, I was pretty sure I was dead. So, with the help of Toothless, I struggle to the door.

And open the door on a new chapter of my life.
